## PREFACE

"Action is with the scholar subordinate but it is essential . . . Without it thought can never ripen into truth . . . Inaction is cowardice, but there can be no scholar without the heroic mind. The preamble of thought, the transition through which it passes from the unconscious to the conscious, is action . . . The true scholar grudges every opportunity of action passed by, as a loss of power. It is the raw material out of which the intellect molds her splendid products . . . he who has put forth his total strength in fit actions has the richest return of wisdom."

ARNOLD W. BARTLETT

A MESSAGE FROM OUR PRINCIPAL

Remembering our yesterdays of joy and sorrow, of victory and defeat, we welcome this day with its divine task of creative living.

May the fellowship of this hour carry us forward in the achievement of a common purpose: "To prepare the future and redeem the past, that after us the morning-star be bright."

A FAREWELL  
"Every man has his own voice, manner, eloquence, and, just as much, his own sort of love and grief and imagination and action. Let him scorn to imitate any being, let him scorn to be a secondary man, let him fully trust his own share of God's goodness, that, correctly used, it will lead him on to perfection which has no type yet in the universe, save only in the Divine Mind."

## TOUCHDOWN!

The football team, under Mr. Anderson, Mr. Buckley, and Mr. Vafides, had an outstanding season. The season's first touchdown was scored with an 80 yard kickoff return against Danvers. After defeating Abington and Newton South, the Harbormen walloped Stoughton 50-14. Interception of a pass and a 60 yard run spurred Hingham to a 22-6 win over Canton. Our speedy backfield outran and outplayed both Wellesley and Portsmouth, N. H. In the most outstanding game, Hingham smashed the favored North Quincy team. On Thanksgiving Day, Hingham valiently fought a strong Archbishop Williams only to succumb to the powerful Bishops.
